**Dear Friends and Supporters of
The Light Millennium:**

We are proud to provide "**an international platform for the free expression of ideas and experiences in order to foster a global connection among all people,**" since The Light Millennium's first 'open to all' and multi-participatory issue in January of 2000.

Background of the Organization:

The Light Millennium – LM is an open alternative global multi-media platform and cultural organization for ALL which has been operating on a voluntary basis since its inception on the web in 1999. The organization has embraced and implemented all ideas from all walks of life. Therefore, it is an open platform that does not serve to a limited group or community nor does it require an annual membership fee. It is an independent non-religious, non-political, not-for-profit (**tax exempt status #501-c-3**), non-governmental (NGO), independent public benefit multi-media and culture organization which has become associated with the Department of Public Information of the United Nations; effective December 12, 2005. Officially formed in 2001 and based in Queens, New York.

The LM strives to present all ideas in order to increase the number of its regularly active participants on its multi-media platforms. The ideas presented from a multi-diverse perspective has been serving a wider spectrum, as an example of an ever-increasing participatory approach in order to contribute towards its mission "Fostering Global Connectivity," promoting a "**global' Freedom of Expression,**" "**Removing prejudices and cultural diversity,**" "**Working towards cultural globalization and global peace,**" which are in accordance with the "**Mission & Vision**" of the organization as well as with the **Visions and Mandates** of the **United Nations.**

We would hereby like to ask for your kind and warm support to enable and empower us further in terms of obtaining technical equipment, such as, computers (printers, scanners, video-cameras), also developing and enhancing its website further as well as towards the Light Millennium TV's production and post production. Your support will help us greatly. With that, we would be grateful for any amount of tax-exempt donation or assistance you may provide to our organization.

With your contributions, the LM will further its efforts in achieving all its goals, therefore, any amount you wish to donate will be highly appreciated. We thank you in advance for your kindness and generosity.

We would like to extend our very best wishes for a Happy Holiday Season and a Wonderful New Year.

The Light Millennium is Your Millennium!
